Medard H. Nelson Elementary School	41.2	F	36.0	22.5	99.7	F

(SE) indicates Selective Enrollment schools

* Unlike other KIPP K-8 schools, KIPP Central City receives a separate letter grade from the state for its Primary and Academy campuses because each has its own site code. KIPP Central City Primary includes two tested grades - third and fourth - while KIPP Central City Academy includes four tested grades. Combining the two campuses into a single site code might lead to a change in letter grade.
